Alaska Legal Services Corporation is a private, non-profit organization that provides free legal services to those eligible. This screening application is our way to complete the following three steps:

1. We must first check to be sure we do not have a conflict of interest due to our prior or current representation of someone connected with your case. To do this we need the correct spelling of both your name and the adverse party’s name.

If a conflict of interest exists, ALSC will not be able to assist you. We will inform you as soon as possible that we cannot provide any legal advice or representation. Since ALSC cannot help, we will try to refer you to another agency or organization for assistance.

2. We then must check to be sure that you are financially eligible for our services.

A preliminary determination about your financial eligibility for our services is made according to income and asset information on the application, subject to a more thorough evaluation later. Our financial eligibility guidelines are based on federal poverty guidelines and are available upon request.

3. Finally, we must screen your case to see if your situation meets the priorities of our office.

ALSC is prohibited by federal regulations from providing assistance for some types of cases. In addition, we have limited resources, and so we must prioritize which cases we take. Priorities are established by the local office and approved by our governing board. A copy of our priorities is available upon request.

Please note at this time our office is not representing you and the information you provide in this application should not be considered privileged and in no way creates an attorney client relationship between you and Alaska Legal Services Corporation.

We will make every attempt to let you know whether we can accept your case within two weeks of receiving your application. Please let us know if you have an emergency situation, and we will try to address your application on an expedited basis. If you are applying for legal assistance with an ongoing court case, please be sure to include copies of all court documents with your application.
